MANAGER

The Colonial Sugar Refining Company Ltd
Pyrmont Refinery.
Sydney 20th February, 1952.

Mr. J. McDougall,
14 Samuel Street,
RYDE.

Dear Sir,

To mark the centenary of this company in 1955 we put in hand the preparation of a book which has now been completed. The title is: "South Pacific Enterprise". The book is not a history, as such, but it does tell something of the historical background of C.S.R. Its main purpose is to describe and illustrate the organisation as it is today - what it is, what it does and how it functions.

The publishers will forward you a copy which we shall be pleased if you will accept with our compliments.

Yours faithfully,

C. King
G.L. King.
Refinery Manager.
